A screenshot of a terminal window with a dark background. The window has a title bar at the top with standard OS icons (refresh, close, maximize, and a menu icon). On the left side, there is a vertical toolbar with icons for navigation (up, down), search, and editing (copy, paste, delete). The main area of the terminal displays a list of numbers, each followed by a space and another number. The numbers range from 10 to 30, with the last line being 'Rahul_51'. At the bottom of the terminal, a message states 'Process finished with exit code 0'.
